

We are
launching

Will you
participate?

Each of you is an important member of our Double Angel family, and “**Pennies from Heaven**” is our new program about our family uniting to make Double Angel the best it can be. It’s been that way from the day the dream was launched — to build a park to honor the baseball-loving spirit of two young boys whose lives were cut much too short, drowning while on vacation after being poisoned by carbon monoxide at the back of a boat.

Here’s how it works. Double Angel folks will bring special “**Pennies from Heaven**” cups out to your team’s practice or games, and you distribute them to all your families. Just keep throwing your spare change into this cup; while your “Pennies” may not seem like much, combine yours with everyone’s and imagine what it can add up to. The donations will be used for improvements to our ballpark and for baseball scholarships, so deserving children can play the game we all love.

Teams can collect their donations and turn them in together, or individuals/families can participate. When your cup is full, check at www.doubleangel.org for collection dates and locations, or call Double Angel at 303-841-2420. Put your cups in a visible spot to spread the Double Angel message. Keep the program going by refilling often — and together we will carry on the dream. Call us to get started.
